## Elegant Wellbeing

The Elective Elements height-adjustable desk solutions were designed to support the wellbeing needs of leaders and professionals at work.

They provide the flexibility to shift postures throughout the day, and create beautiful and healthy customized solutions to meet the status and image requirements of leadership spaces.

# 50-70%

**Amount of time most adults spend sitting**

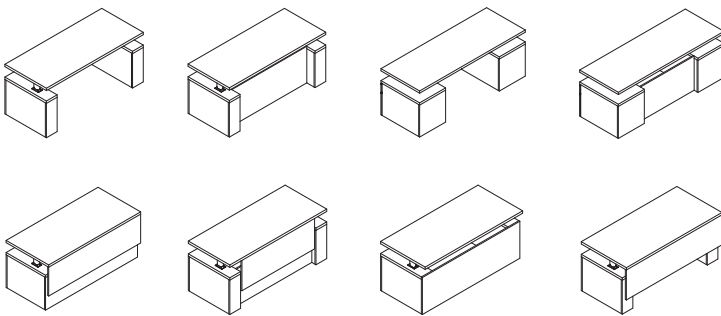

Prolonged static sitting leads to long-term physical challenges, such as back and neck pain and repetitive stress injuries.

IM#: 16-0077424

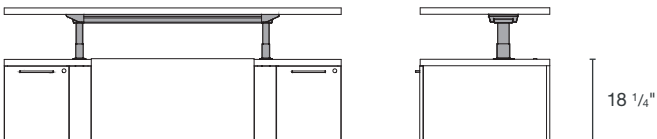

Elective Elements height-adjustable desk solutions are available with a variety of storage and modesty options. They can be configured with other Elective Elements storage and worksurfaces to create typical private office configurations such as freestanding, L-shaped, U-shaped and T-shaped applications.
